Notes for Joseph "Jos" Dunlap

Per Portrait and Biographical Record of Putnam County, published in 1896: " Joseph Dunlap was a child of two years when brought to Guernsey County, Ohio, by his father. He grew to manhood among the pioneers, devoting his chief attention to farming. He attended school, in all, about six weeks, and that attendance was after he had reached his twenty-first year of age; but he afterward acquired a good education by self-teaching. July 15, 1842, he was married, in Muskingum County, Ohio, to Miss Jane Jenkins, who was born September 9, 1826, a daughter of Resley Jenkins, and to this union were born ten children, seven of whom reached maturity. After marriage, Mr Dunlap lived on his eighty acre farm in the woods until November, 1851, when he came to Putnam County, Ohio, and bought eighty acres in the woods, now near Rushmore, Ohio. The land he cleared and lived on until 1877, when he settled on his present farm of 102 acres, which was partially improved, but which Mr Dunlap further cleared up and transformed into one of the most productive farms in the township. Mrs. Jane (Jenkins) Dunlap, having died at Rushmore, Ohio, Mr Dunlap married, September 28, 1862, Mary Chamberlain, who was born May 30, 1834, daughter of Godfrey and Margaret Chamberlain, and to this union were born three children. The second Dunlap was also called away, and the third marriage of Mr Dunlap took place, February 28, 1870, to Elizabeth Catherine Chamberland, who was born May 4, 1835, in Putnam County, Ohio." Had 17 children by 3 wives. LDS indicates Joseph married Elizabeth Jane Jenkins on 15 Jun 1842, versus Dunlap Biography by Grace I. Per the 1860 Census in Putnam County, Ohio, Joseph's value of real estate was \$1,000, and his value of personal estate was \$500. Per his Obituary in the Putnam

County Sentinel, 24 Jan 1908, Friday, it indicates he was born in Guernsey County, Ohio. He was almost 93 years of age and leaves a wife, eleven children, 37 grandchildren, and a host of relatives and friends to mourn his loss. Funeral services were held at the U.B. Church at Rushmore Sunday, and burial at Hartshorn cemetery. Another obit (same paper, same date) reads: Mr. Joseph Dunlap, age 93 years old, died at his home near Rushmore, this county, last Friday. #### Notes for Lester Adam Dunlap

Per Portrait and Biographical Record of Putnam County, published 1896, page 154:  
"Lester Dunlap, a substantial farmer of Jennings township, Putnam county, Ohio, was born in Union county May 16, 1842, a son of Robert and Louisa (Spain) Dunlap, of Irish ancestry. He was reared to farming, and in 1861 came to Putnam county with his father, who located in Sugar Creek township, and assisted in the clearing up of the farm until 1864, when he enlisted, May 2, at Gomer, under Capt. I. W. Patrick, in Company F, One Hundred and Fifty-first Ohio infantry, 100-day service, and served until he was honorably discharged at Camp Chase, Ohio, August 27, 1864, having been on guard and patrol duty in Maryland and the District of Columbia. On his return home, he resumed farming, and in December 1864, married Mary Young, who was born in July, 1842, a daughter of David and Susan (Beery) Young, the union resulting in the birth of three children. April 20, 1871, Mrs. Mary Dunlap passed from earth, and Mr. Dunlap chose for his second helpmate Rebecca Huffer, who was born April 8, 1852, a daughter of George and Keziah (Neihizer) Huffer, and to this marriage have been born eight children. Mr. Dunlap has always been a hard-working industrious man, and by his thrift has been able to add to his farm until he now owns 100 acres, all well improved and cultivated. In politics he is a republican and is the present township trustee. He is a public spirited and popular, liberal and charitable, and one whose integrity has never been questioned. He is a skillful farmer, and has won the respect of all with whom he has ever come in contact. He is a friend of education, and gives an earnest support to both schools and churches."  
LDS indicates Lester married Mary on 15 Nov 1864, whereas above notes indicate Dec 1864. Per the 1870 Census, Putnam County, Jennings Township, Kalida, Ohio, Lester Dunlap's value of real estate was \$4,000, and the value of his personal estate was \$515. The Will Record 9, Vol N, page 366, Lester Dunlap, found in his probate packet, Putnam County, Ohio, wills his Property both real and Personal be equally divided between all of his children, except his daughter Mary Friend (Dunlap). It is my will that five Hundred dollars (\$500.00) be taken from her share and divided qually between Hubert Dunlap and Eugene Dunlap, being Two hundred and fifty dollars a piece. I appoint Anna Wells (Dunlap) to handle and control Eugenes share as in her Judgement she thinks it will do him the most good and I hereby appoint Charles Dunlap to be Executor of my Estate. Certificate of Death, Putnam County, Ohio, certificate number 3113, volume number 4751.

Notes for Isaac Hoopman Barnes  
Moved from Guernsey County, Ohio, to Union County, Ohio, in 1855. Moved to Putnam

County, Ohio, in Dec 1869, and settled on Redd Road, Rushmore, Ohio. He enlisted and served in the Company K, 96 Regiment, Ohio Volunteers and was mustered out in Mobile, Alabama, 7 Jun 1865. He was paid off at Columbus, Ohio, 29 Jul 1865. Per The History of Putnam County, 1915, by George Kinder, Isaac H Barnes was a well-known farmer of Jennings township. As a man, Mr. Barnes has been characterized by industry and a patience which overcomes all obstacles, and thus insures success in whatever undertaking one may choose to follow. Putnam County has been honored by many successful and enterprising farmers, but none of them is more honored or more highly respected than Mr. Barnes, who served his country faithfully during the dark days of the Civil War, and afterward won a comfortable competence for his old age by dint of hard work and persistent labor. Per the Census, 1870, Putnam County, Jennings Township, Kalida, Ohio, Isaac's value of real estate was \$300, and value of personal estate was \$100. Certificate of Death, Putnam County, certificate number 12675, volume number 3816.

#### Notes for Robert A. Walls

His obituary says he came to Putnam County, Continental, Ohio in 1894 where he operated an undertaking and furniture business for a number of years. He retired in 1938. Per the Continental History, Continental, Ohio, 1886-1986, Robert purchased the business in 1894, from Eli Fifer. The building at that time stood on today's sites of the Lutheran Church and two residences. It faced what then was the public square on Continental. After fire destroyed the building, Mr Walls, the Odd Fellows fraternal order, and W.C. Veach built today's brick building on North Main Street. Walls Funeral Home & Furniture Store occupied the north side of the building; Veach's Hardware occupied the south half, and the Odd Fellows Hall was upstairs. Embalming was taken care of in the rear of the funeral home, where caskets and other supplies were kept. In those days, bodies were taken to their homes for calling hours, and local churches conducted all funeral services. When new state regulations came into effect, Walls built an embalming room near the rear of his residence (207 West Rice St.), moved the funeral business to that address, and later, remodelled (1947) the entire location into a modern funeral parlor downstairs - with living quarters upstairs. Robert Wall's two sons, Ira and Jacob, helped him with the business. Ira took over the management and operated the business 20 years until his father's death at age 91.

Notes for John Cowan

Per the 1895 Atlas of Putnam County, Ohio, John is one of nine children, of whom only three survived. He was left an orphan at the age of twelve, and after the death of his parent, which occurred in 1874, he was taken to Jennings township, Putnam County, and there worked on a farm until the age of twenty years. In 1882 he attended the Normal University at Lebanon, Ohio, and while there fitted himself for the vocation of teacher, and subsequently taught eleven years in the schools of Jennings township. In 1884, he was appointed guard at the Ohio penitentiary and served two years, he being the youngest guard then in that institution. He took a course in surveying and civil engineering at Lebanon, Ohio, and has done considerable surveying and township ditch engineering in his vicinity. He has served two terms as Assessor, one as Supervisor

adn one as Justice of the Peace. At the primary election in the spring of 1895, he was nominated for County Recorder on the Democratic ticket, and in the following November was elected almost without opposition. Per the Putnam County Sentinel, 21 Aug 1936, Friday, John was born on a farm east of Delphos. When a child of eight or ten years, his parents died at which time he went to Fort Jennings to make his home with Mr. and Mrs. Christ Bach. He attended the schools of Fort Jennings and by working on the farm he saved enough of his earning to take a course in Civil Engineering at the Lebanon normal school; also his obituary indicates he was married in 1888.

Other events: Occupation: Music teacher. Residence Allen County, Monroe Township, Rural, Ohio (11 Dec 1943). Notes: Per the obituary in the Putnam County Sentinel, Miss Clara Dunlap, well known and prominent private music teacher of Columbus Grove, was killed instantly shortly after eight o'clock Saturday morning when the automobile she was driving was struck by a westbound freight of the Akron, Canton, and Youngstown railroad at the Pearl street crossing in Vaughnsville. Miss Dunlap was enroute to Vaughnsville to give a music lesson at the home of H.D. Fleming when the car was struck. The locomotive dragged the car approximately two blocks down the tracks where the car became lodged against a bridge over Sugar Creek. Miss Dunlap's body was thrown clear of the wreckage at the bridge and into the creek. Coroner W. C. Miller of Belmore and Sheriff Arnold Potts investigated the accident. The coroner returned a verdict of accidental death and stated that Miss Dunlap was dead before her body was thrown into the creek. A railroad section hand working near the scene informed officials that Miss Dunlap stopped her car at the crossing and then started it up again and drove into the path of the oncoming train. It is believed that for some reason she did not notice the freight or that she misgauged the speed at which it was travelling. Miss Dunlap who was fifty years of age, spent

practically all of her life in the Columbus Grove vicinity. She gave private music instructions for a number of years and was widely known throughout the county. The Certificate of death indicates she was single, so I'm assuming she never married. Per the Census, 1900, Putnam County, Jennings Township, Ohio, her name is listed as Lelora L. Dunlap, birth date is May 1892, and she was 8 years old. Birth Source: Certificate of Death . Birth Source: Census, 1880, Putnam County, Jennings Township, Ohio . Notes for Harry Russell "Russell" Dunlap

Per the obituary in the Putnam County Sentinel, Russell Dunlap, 31, a farmer living east of Ottoville, shot himself on Monday about nine o'clock with a .22 caliber rifle. Dr Ockuly of Ottoville, was summoned but death resulted from the self inflicted wound shortly after twelve o'clock. For sometime Mr Dunlap had been worrying over financial affairs and was considered to be mentally deranged. It is said that he had several times threatened to shoot his wife and four children, but Mrs. Dunlap was successful in taking the firearms from him and hiding them in the house. On Monday he found the rifle and went to the barn. Mrs. Dunlap followed intending to take the rifle from him, but as she opened the barn door, the report of the rifle sounded and she found him shot through the head.

Notes: Per the obit in the Putnam County Sentinel, William Howard Barnes, was 16 months old and accidentally run over by a machine owned by Harry Vanscoder. It happened in the yard of the Barnes home. Mr. Vanscoder called at the Barnes home to get his children who had been playing there. He had just returned from Ottawa, where one of his children was subjected to an operation for the removal of tonsils. Vanscoder did not stop the motor of his machine, as he intended to leave in a few minutes. He was talking with Mrs. Barnes concerning the operation, when one of the Vanscoder children manipulated the machine and started it in reverse. The car backed up and ran over the Barnes child, who lived only twenty minutes after the

accident. It was simply an unavoidable accident and no blame is attached to Mr. Vanscorder for the tragedy. Birth Source: Delphos Ohio History Cemetery web site, Allen County, Ohio .

Reynold L. Westenbarger, twenty-one, and Robert E. Edwards, twenty-two, cousins and neighbors, were the victims. John Palte, a friend and neighbor of the two victims, was a passenger in the car, but escaped injury. According to information given to Sheriff

Arnold Potts, the trio was enroute to Defiance with Westenbarger driving his father's car when the accident occurred. The car failed to negotiate a curve and crashed sideways into the end post of a guard rail along the highway. The dead men, the first Putnam county traffic casualties for 1947, were thrown through the door by the force of the impact. They suffered skull, arm, and leg fractures. Dr. J. R. Echelbarger, county coroner, returned a verdict of accidental death.
